This is only a *suggested* list. There is no requirement that you purchase the items listed.

On the BMS website, www.wcskids.net/beer OR IN SCHOOLOGY, teachers may have a more specific list of items. Once students have received their class schedule during Beer Baron Days, they may look at their individual teachers' webpages in 'Classroom Webpages' in the drop-down menu under 'School Information'. You may also wait until classes begin to purchase any or all items.

Students are provided with a Beer Middle School Student Handbook/Agenda. Students are expected to carry this with them at all times and to use it appropriately. Agendas have been shown to dramatically increase students' organization, preparedness, responsibility and confidence; leading to higher academic achievement and success.
