

## Carter Middle School Parking Lot

Thank you for your patience and support as we all adjust to the new traffic flow pattern in the parking lot. The new traffic pattern provides the safest environment for all 856 Carter students. **Safety is the most important component and our number one goal in the parking lot.** Please continue to support the safety of all students.

- Students are now able to enter the building at 7:30 a.m.
- Students entering between 7:30 – 7:47 a.m. must report directly to and remain in the café, where they will be supervised and they may purchase breakfast if they choose
- The front drive will be closed to all traffic at 7:40 a.m. until school starts and from 2:30 - 3:10 p.m.
- Follow the direction of staff personnel while in the parking lot
- Pull your vehicle up to the stop sign in the rear of the school to allow maximum number of vehicles into the drop-off/pick-up zone
- Use the two driving lanes beyond the stop sign to exit parking lot
- Observe all posted signs and crosswalks
- Do not use your cell phone while driving in the parking lot
- Do not allow students to exit or enter your vehicle along the side of the building, only in the back drop-off/pick-up zone
- Do not make U-turns from the drop-off/pick-up lane
- Make sure your student is ready to quickly enter/exit the vehicle at pick-up and drop-off
- During inclement weather, plan for the extra time that it will take to get everyone into and out of the parking lot
- The **SAFETY** of all students is our priority
