Parent Support Group: Penny Hader, LMSW will facilitate this ongoing group intended to give families a place to learn, share, and better understand what it means to raise a transgender child. This group offers a safe and warm environment to share and discover how to travel this journey with your child.

Teen/Youth Support Group: Stephanie Lange, LMSW will facilitate the group for youth (recommended for trans* and gender expansive youth ages 13-19) separately so that they can meet each other and provide support around the issues of teen life as a transgender person.

This group is free and open to the community. For more information or to RSVP, please contact Stephanie Lange at 586-723-2872 or slange@cvs.k12.mi.us
