August 2023-2024

Dear MMSTC Parents:

In order to alleviate notes sent home requesting money for each class event, we are collecting a one-time \$75 activity fee (extracurricular) from every student. This money will be put into an account for each class and be used to fund any field trip or activity planned for the 2023-2024 school year. See chart below for planned activities.

Any unused funds in the account at the end of the school year will be forwarded to their class account the following year. If your son/daughter is a senior, any unused funds may be put toward their Senior Celebration in May and/or a publication celebrating senior accolades and achievements.

Please remit payment via our Web Store by September 9, 2023.
