

IMPORTANT

When dropping off a student in the morning, please drop them off at DOOR 17 in the back of the building to avoid the busses which will be dropping students off in front of the building.

If you need to pick a student up early because they have a scheduled appointment during the school day, please send a written, signed note for their teacher stating the time that you want the student to be dismissed from class. This will allow for the student to be up front and ready to go when you arrive to pick them up.

BUTCHER EDUCATIONAL CENTER

Dear Parents and Guardians,

As we prepare for the upcoming school year we are asking for your help – Butcher Educational Center has three programs each transporting students to and from our center from home schools at staggered times throughout the morning and afternoon. This means our bus route is very busy. To help us keep our students safe we are asking that parents drop students off at door 17, located on the East side of the building. For pick-ups, please park in the guest lot in the front of the building keeping the bus lanes open. Please see the map below for details!

Thank you in advance,
Dr. Neuhoﬀ and the Butcher Educational Center Staff
