

Macomb Mathematics Science Technology Center

Dr. Catherine Neuhoff

Director of Special Programs

Dear Alumni,

As you know MMSTC enrolls some of the best and brightest students from all around Macomb County and we pride ourselves on the depth and rigor of our program and also on the success you, our alumni, have had in college and beyond.

Funding has been cut to all STEM programs in the state of Michigan; in order to sustain our excellent learning environment we are hosting a golf-outing fundraiser on **Saturday, June 15, 2019**. We hope you will join us for a fun day of golf and lunch with former classmates and friends. But, even if you don't play golf, you can still help. Our most pressing need is hole sponsors and prize donations.

Here are some tips:

- Reach out to your employers! Tell them about our program and ask if they can support us with a donation. We have attached a sponsorship promotion sheet on the back of this letter.
- Gather donations for themed gift baskets! Examples include sports/entertainment tickets, movie tickets, or gift certificates from restaurants, spas, nail salons, golf lessons etc.
- We need volunteers to help on organizational committees! We need help with:
 - Fundraising Committee - helps find sponsors and prizes
 - Volunteer Committee - recruit and organizer volunteers
 - Prize and Gift Committee - puts together themed baskets and gift bags

If you would like to help in any of the ways listed above, please fill out the questions below and send it to 27500 Cosgrove, Warren MI 48092 or copy and email Mrs. Ansel at Kansel@wcskids.net or Mrs. Cybulski at cybulski@wcskids.net

Either way a receipt will be mailed from the school for tax credit purposes.
