

An Evening Event To Remember!

Please join us for an enjoyable evening of learning and putting your family on a path that reduces the cost of a college education.

Parents of all high school students are invited!

Macomb Mathematics Science Technology Center

27500 Cosgrove Warren, MI 48092

Wednesday, November 7, 2018

6:30p.m. - 7:30p.m.

Please register at epr123.com/all-events/MMSTC-FAFSA or call 248-359-8300

Macomb Mathematics Science Technology Center is hosting an educational event to assist you in getting the most free money from college endowment funds for your child's college education.

Our focus this evening is the Free Application For Federal Student Aid (FAFSA).

We will show you ways to optimize FAFSA to get the most free financial aid and avoid the mistakes on that government form.
