Superintendent

Dear Parents,

January 9, 2019

I have been assigned as the Interim Director at Butcher, effective January 7th, 2019 and I would like to introduce myself to parents and community. Dr. Neuhoff is currently on leave, expecting to be out for a minimum of four months and hoping to return in May.

For those of you who do not know me, I want to share some professional background information about myself. During the last five years, I have served as one of the assistant principals at Sterling Heights High School. Previously, I taught biology and anatomy at SHHS for twelve years.

After overseeing this building for a few days, I have immediately noticed that Butcher has a strong commitment to high-quality instruction, collaboration, and igniting students' passion for learning and growth. I am excited to join this dedicated staff, ensuring our students continue to excel within all the Butcher programs.

I look forward to meeting as many of you as possible at several school functions we have planned at Butcher. Please feel free to contact me directly if you have any questions or concerns.

Sincerely,

Elizabeth Iljkoski
