

## Birthday Treats

We understand that birthdays are very important to our students! In order to help you choose appropriate Birthday Treats, we have set the following guidelines:

Birthday Treats must be delivered in the morning before lunch and packaged to be passed out, easily.

- Good: cookies
- Better: prepackaged healthy snacks like Goldfish crackers, pretzels, fruit bars and prepackaged rice krispy treats
- Best: pencils, erasers, stickers, etc. (these must be individually packaged for each student because they will be sent home in the students' backpacks at the end of the day).

### Please do not send in:

- Cupcakes with frosting (too messy)
- Drinks
- Sheet Cakes (or any treats that need to be cut)
- Pizza
- Frozen Treats
- Refrigerated Treats

All teachers have been asked to follow these guidelines.

We truly appreciate your cooperation!
