Presenting the WCSPA’s 2014-2015 Season

You Can’t Take It With You • November 21 & 22, 2014
You Can’t Take It With You introduces audiences to the free-spirited Sycamore family and the rhythm that ensues when their daughter Alice’s fiancé (Tony Kirby) brings his conservative, straight-laced parents to dinner on the wrong night. This hilarious comedy written by Morris Hart and George S. Kaufman is timeless told through these quirky characters of the Sycamore family, who remain full of a sincere zest for life; as they are contrasted by the Kirby family’s world driven by strict schedules and profit margins.

During the Sycamore family’s improvised version of dinner, the audience feels the same shock and awe outstretched by the Kirby family—those are invited to dinner amidst random acts of kindness by a visit by an ex-Grand Duchess, and a raid by the FBI. Alice now fears that marriage with Tony is out of the question, but Tony knows the Sycamores are right and his own family has it wrong, and he convinces Alice to go to a splashy showbiz comeback. Tony Kirby helps Alice (and his parents) to see the beauty and simplicity of Grandpa Sycamore, spoken proudly to Mr. Kirby about the lucrative job he hates, “You can’t take it with you, you know.” At first the Sycamores may seem mad, but it is not long before we realize that if they are mad, the rest of the world is dadder.

Chicago, The Musical • February 6 & 7, 2015
Devilish and delightful, Chicago is an indisputable Broadway landmark that seamlessly weaves its satirical story through musical vaudeville numbers. Set in the legendary city during the roaring “jazz hot” 1920s, Chicago tells the story of two rival murderesses locked up in the Cook County Jail. Nightclub star Velma Kelly is serving time for killing her husband and sister after finding the two in a “compromising position”. Driven, cunning girl, Roxie Hart, finds herself tossed in the joint for bumping off her boyfriend after years of cheating on her faithful husband, Amos. Velma (friend of the attention Roxie’s crime receives) enlists the help of prison matron Mama Morton and fast-talking lawyer Billy Flynn—turning these otherwise morbid scenes of crime and punishment into a murder-of-the-week media frenzy; and thus preparing the world for a splashy showbiz comeback. With one great showstopper after the next, John Kander and Fred Ebb’s now-classic score keeps the story moving at a gung-ho pace, as the jailbirds tip their bowler hats in tribute to choreographer Bob Fosse, whose moves are still as steamy today as they were when Chicago first appeared in 1975. For a show that stands inch-deep in dirty deeds, it feels like one helluva good time.

Honk! Jr. • March 20 & 21, 2015
‘HONK! JR.’ is a musical adaptation of the Hans Christian Andersen story The Ugly Duckling. This lively children’s musical follows the character of Ugly from his birth in the nest. With the exception of his mother, who is a beautiful, Ugly is rejected by all the barnyard animals, including his fellow ducklings. Feeling rather down on himself, Ugly goes off on a journey of exploration and self-discovery until he makes the realization that being different isn’t necessarily a bad thing. Filled with humor and a message of compassion and understanding, Honk Jr.’s, touching tale incorporates a message of tolerance that is important for children of all ages.

Thoroughly Modern Millie • May 15 & 16, 2015
The winner of six Tony Awards including Best Musical, Thoroughly Modern Millie was the 2002 Broadway season’s most awarded new show! Based on the 1967 Academy Award-winning film, Thoroughly Modern Millie takes you back to the height of the jazz age in New York City in 1922, where “moderns” — including a flapper named Millie — are bobbing their hair, raising their hemlines, entering the workforce, and rewriting the rules of love. This high-spirited musical romp is a delightful valentine to the long-standing spirit of New York City and the people who seek to discover themselves there.

Thoroughly Modern Millie tells the story of young hopeful, Millie Dillmount, who comes from Kansas to New York City in search of a new life for herself. Her grand plan is to find a job as a secretary for a wealthy man and then marry him. However, the owner of her dingy hotel kidnap’s young girl to sell to the Far East; her wealth is slow in proposing marriage; and the man she actually falls in love with doesn’t have a dime to his name (or so he tells her). Filled with frisky flappers, dazzling leading men and a dragon-lady of a villainess audiences will love to hate, Thoroughly Modern Millie is a perfectly constructed evening of madcap merriment. From explosive tap numbers to a Fred Astaire and Ginger Rodgers-style routine, this is the perfect show for those who love a great show-stopping number. In Millie Dillmount, musical theatre has found a new heroine for the ages in Thoroughly Modern Millie.
