Welcome Wildcats to the 2021-2022 School Year!

I hope you are enjoying a wonderful summer which hopefully provided your family the opportunity to recharge and prepare for the new school year. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you this year.

The office team has been getting ready for the school year since the students left in JUNE! Our hard-working custodians have spent the entire summer cleaning and getting our classrooms ready. Teachers and Support Staff continue to plan and prepare for student learning. Without question, we are ready to team up with families to continue nurturing successful learners.
